TAX WARRANT

This warrant is for use by trustees of common school districts and boards of education in union free, central and village superintendencies.

(The word trustee as used throughout the explanation below refers to trustee, trustees or board of education alike.)

DIRECTIONS TO TRUSTEE(S)

1 Prepare or cause to be prepared the tax list and sign the warrant directing the collector to proceed with the collection of taxes. Where separate tax book is used, attach this warrant thereto.

2 Total the amount of the tax list so that the collector may later be credited with the amount of his statement of the uncollected portion of the warrant.

3 Fill in "Estimated Receipts" and "Estimated Expenditures" from the "Annual School Budget Form" presented at the annual school meeting (*Education Law, section 3501*).

4 Fill out the report of Tax Levy on the form provided in the trustee's Order-Check Book and forward this report to the district superintendent before this warrant is placed in the hands of the collector. Union Free, Central and Village Districts have a separate form for Report on Tax Levy.

5 The trustee may not legally turn the warrant and tax list over to the collector until said collector is duly bonded. Either a fidelity bond from a bonding company or a personal bond with at least two sureties is necessary. The bond is subject to the approval of the trustees.

6 Within 30 days after September 1st, place the tax list in the hands of the collector (*Education Law, section 3501*).

7 After the tax list and warrant has passed into the hands of the collector, it may not be changed or amended without an order from the Commissioner of Education pursuant to section 3512 of the Education Law.

8 The trustee, as an emergency measure, may grant the collector one renewal of this warrant for a period of 60 additional days by signing and dating his indorsement of the renewal in the space provided below the commands to collector (*Education Law, section 3517*).

9 In order to secure an additional renewal of the tax warrant, the trustee must secure the signed indorsement of the town supervisor on the face of this warrant approving such renewal.

10 The trustees shall require the collector to return the warrant prior to or on the date of its expiration. He shall also make a full and complete statement of the taxes unpaid upon forms provided by the county treasurer. (§3526). **On or before the first day of April** the trustee shall file with the county treasurer the return tax claim bearing certificate of the trustee and the collector's affidavit (*Education Law, section 3527*).

11 Within 15 days after this tax list and warrant is returned to the trustee by the collector, it must be filed with the district superintendent (*Education Law, section 3528*) who in turn must file it with the town clerk before July 1st of each year. In superintendencies it shall be filed directly with the town clerk by the board of education.

3 Fill in "Estimated Receipts" and "Estimated Expenditures" from the "Annual School Budget Form" presented at the annual school meeting (*Education Law, section 3501*).

4 Fill out the report of Tax Levy on the form provided in the trustee's Order-Check Book and forward this report to the district superintendent before this warrant is placed in the hands of the collector. Union Free, Central and Village Districts have a separate form for Report on Tax Levy.

5 The trustee may not legally turn the warrant and tax list over to the collector until said collector is duly bonded. Either a fidelity bond from a bonding company or a personal bond with at least two sureties is necessary. The bond is subject to the approval of the trustees.

6 Within 30 days after September 1st, place the tax list in the hands of the collector (*Education Law, section 3501*).

7 After the tax list and warrant has passed into the hands of the collector, it may not be changed or amended without an order from the Commissioner of Education pursuant to section 3512 of the Education Law.

8 The trustee, as an emergency measure, may grant the collector one renewal of this warrant for a period of 60 additional days by signing and dating his indorsement of the renewal in the space provided below the commands to collector (*Education Law, section 3517*).

9 In order to secure an additional renewal of the tax warrant, the trustee must secure the signed indorsement of the town supervisor on the face of this warrant approving such renewal.

10 The trustees shall require the collector to return the warrant prior to or on the date of its expiration. He shall also make a full and complete statement of the taxes unpaid upon forms provided by the county treasurer. (§3526). **On or before the first day of April** the trustee shall file with the county treasurer the return tax claim bearing certificate of the trustee and the collector's affidavit (*Education Law, section 3527*).

11 Within 15 days after this tax list and warrant is returned to the trustee by the collector, it must be filed with the district superintendent (*Education Law, section 3528*) who in turn must file it with the town clerk before July 1st of each year. In superintendencies it shall be filed directly with the town clerk by the board of education.

This warrant is for use by trustees of common school districts and boards of education in union free, central and village superintendencies.

(The word trustee as used throughout the explanation below refers to trustee, trustees or board of education alike.)

GENERAL DIRECTIONS TO TRUSTEE(S) AND BOARDS OF EDUCATION

1 Prepare or cause to be prepared the tax list, extend or cause to be extended the taxes to be collected, and total or cause to be totaled the amounts of the tax levy by towns. The Town Board of Assessors is required to furnish a duplicate copy of the town assessment roll (*Town Law, section 33*) but such lists must be checked for completeness and accuracy even though this requires going back to the town assessment roll and/or the previous year's school tax list.

2 Attach to the tax list the tax warrant signed by the sole trustee or by at least a majority of the trustees or board of education to direct and establish authority of the collector (*Education Law, section 3513*).

3 Fill in "Estimated Receipts" and "Estimated Expenditures" from the "Annual School Budget Form" presented and approved at the annual school meeting (*Education Law, section 3501*).

4 Fill out the tax report to district superintendent, Form 3, in the trustee's Order-Check Book and forward this report to the district superintendent at the time this warrant is placed in the hands of the collector. Union free, central and village districts have a separate form for Report of Tax Levy.

5 The trustee(s) or board of education may not legally turn the warrant and tax list over to the collector until said collector is duly bonded. The purchase of a fidelity bond by the trustee(s) is a proper charge against the school district. The trustee(s) shall indorse his (their) approval on the bond and forward it to the district superintendent, who will indorse his approval and file the same in the office of the county clerk (*Education Law, sections 2124 and 2130–5*).

6 Within 30 days after September 1st, place the tax list in the hands of the collector (*Education Law section 3501*).

7 After the tax list and warrant have been passed into the hands of the collector, it may legally be changed and corrected only by the following procedure:

a A statement listing the errors and the required revisions should be forwarded by the trustee or clerk of the board to the district superintendent or village superintendent.

b The request for authority to correct the tax list should be forwarded to the Commissioner of Education by the district superintendent, or village superintendent, with a supporting statement of accuracy. An order will be issued to the trustee(s) or board of education to correct the warrant on the basis of this supported request.

c Such order should be attached to the tax list by the collector as evidence of authority for such corrections (*Education Law, section 3512*).

8 The regular tax warrant authorizing the collection to start during the period from September 1st to October 1st should be issued to expire before December 1st, so that the return tax claim may be filed by December 1st. The trustee, as an emergency measure, may grant the collector a renewal of a special school tax warrant by dating and signing his indorsement on the face of the warrant (*Education Law, section 3517*).

9 The trustee shall require the collector to return the warrant on the date of its expiration. At the same time the collector shall make a full and complete statement of the taxes remaining unpaid on forms provided by the county treasurer (*Education Law, section 3526*). On or before the *first day of December* the trustee(s) shall file with the county treasurer the return tax claim bearing certificate of the trustee(s) and the collector's affidavit (*Education Law, section 3527*).

10 Within 15 days after this tax list and warrant is returned to the trustee(s) by the collector, it must be filed with the district superintendent (*Education Law, section 3528*), who in turn must file it with the town clerk of the town in which said collector resides on or before July 1st of each year. In superintendencies it shall be filed directly with the town clerk by the board of education.

B1713-Ap50-5,500(31077)*

WARRANT ISSUED BY UNION FREE AND CENTRAL SCHOOL DISTRICTS

1 The board of education should, by resolution duly adopted, authorize its warrant to be attached to the tax list. This resolution fixing the amount of the total levy confirms the extension of the roll and fixes the exact date of validity of the tax lien upon the real property.

2 Tax warrants are usually issued for 30 or 60 days but may be issued for any given number of days from start of collection to December 1st. If a renewal is authorized by the board of education, it must be for exactly the same length of period for which it was originally issued. Such extension must be indorsed on the warrant by affixing date and signatures.

3 The board of education should instruct the collector to make a report in writing at the expiration of the warrant, listing *by towns* the total assessed valuation, the tax rate, the total tax levy, the total amounts collected and the total amounts remaining uncollected.

4 On receipt of the collector's account of unpaid taxes, the board of education, on comparing the collector's return of unpaid taxes with the original tax list and determining that it be correct, shall so certify and immediately transmit the account, affidavit and certificate to the treasurer of the county so that the same shall be received by him not later than the first day of December following the levy of the tax (*Education Law, section 3527*).

Appointment of Collector by Board of Education

1 The resolution of appointment should place this officer either on a fee basis as provided by section 3519, or on a salary as provided by section 2130.

2 In a school district in which *the collector receives a fixed compensation in lieu of fees* the delinquent tax penalties are fixed by law as follows:

All the taxes remaining unpaid after the expiration of the 30-day period bear interest at the rate of 1 per cent per month, until the return of the collector's warrant. The account of unpaid taxes filed with the county treasurer should include the amount of the taxes remaining unpaid, plus the amount of such interest on such unpaid taxes as computed as of the date of the return of the collector's warrant. All such interest collected by the district tax collector or paid by the county treasurer shall belong to the school district.

3 In a school district in which *the collector is on a fee basis*, the collector may retain only such fees as are actually collected by the collector. No collector's fees based on delinquent taxes reported as unpaid may be added to the return tax claim.

DIRECTIONS TO COLLECTOR

1 Read warrant and ascertain that it is properly signed and dated by sole trustee or a majority of trustees or board of education.

2 Return this tax warrant and original tax list to the trustee(s) or board of education at date of expiration.

3 Obtain from the county treasurer's office the necessary blank forms on which to make your complete account of all taxes remaining unpaid at the time of the expiration of the warrant.

4 Return to the trustee(s) or board of education your complete account of unpaid taxes, certifying by your signed affidavit that "after diligent efforts you are unable to collect same," witnessed by any notary public, justice of the peace, or any other officer authorized to administer oaths.
