THE CLIFTON PARK-HALFMOON PUBLIC LIBRARY SEEKS COMMUNITY RESPONSE TO “FUTURE OF THE LIBRARY” SURVEY

Clifton Park, NY- As part of its continuing strategic planning process, The Clifton Park-Halfmoon Public Library is conducting a community survey. The Future of the Library survey is the next step in planning the future of the Library and gives the community an opportunity to contribute to its long-range planning process.

“Our goal is to be an ever more vibrant center of community life,” says Library Director Alexandra Gutelius. “The input from our community will ensure that the Library develops in ways that are relevant, useful, and satisfying.”

The survey can be obtained at the Library or on the website www.cphlibrary.org. The survey is anonymous, however participants who are willing to provide their contact information will be entered in a drawing to win an iPad mini.

The first step in this process was a series of interactive workshops held in May. The outcome and ideas developed in these workshops can now be found on the Library’s website. Patrons who attended these workshops, as well as those who did not, are all encouraged to complete the survey by July 24.
