

News Release

For Immediate Release

Contact: Ann Cocca, 518-371-8622, acocca@sals.edu

To the Editor: These events and items of interest are scheduled for the public at the Clifton Park-Halfmoon Public Library for the week of **June 1 – June 7, 2015**. Please announce these events prior to the PROGRAM date. Thank you for your assistance. We appreciate the coverage.

Upcoming Events at the Clifton Park-Halfmoon Public Library

Tad & Diane in the Garden – June 1 at 6:30pm

Clifton Park, NY -- Tad, the Library frog, will join Diane Payette, local performer and educator, in the Reading Garden for songs and stories. For families with children ages 3-8. No registration required; child must be accompanied by an adult.

What's in the Local History Room? – June 1 at 7pm

Clifton Park, NY -- This introduction to the Local History Room will give you a look at our collections of books, scrapbooks, diaries, photos, oral history files, and records from former one-room schools. We'll also explain what you can find on our library website: <http://www.cphlibrary.org/historical/>. Space is limited; Please register online, in-person or by calling the Library at 371-8622.

Trivia Night at Ravenswood – June 2 at 7pm

Clifton Park, NY -- Tuesday night is trivia night! Join us at Ravenswood Pub (located at 1021 Route 146 in Clifton Park) for trivia, fun and prizes. Registration is requested. Please contact the library at 371-8622 with any questions.

LEGO Club – June 4 at 4pm

Clifton Park, NY -- Children in grades K-2 are invited to the Clifton Park-Halfmoon Public Library for Junior Lego Club. Participants will create a LEGO display based on the theme *Help Me!* Registration is required and begins May 28 at 9:30am. Please register online, in-person or by calling the Library at 371-8622.

Scratch Camp – June 4 & 5 at 4pm

Clifton Park, NY -- Scratch is a computer programming language that makes it easy to create your own interactive stories, animations, games, music, and art -- and share your creations on the web. This class will motivate students for further learning through playful experimentation and project creation. For students in grades 3-5. This is a two-day session and registration is required. Please register online or by calling the library at 371-8622.

DIY Food Series: Insects & Diseases of the Home Vegetable Garden – June 6 at 11am
Clifton Park, NY – Join host Sue Beebe of the Cornell Cooperative Extension for the next installment of our DIY Food Series at the Library. This class will take a look at the most common insects and diseases that you may see in your home garden and give pointers on how to handle them. Registration is requested.
