Re: Proposed Expansion of the Colonie Landfill

Dear Mr. Marcuccio:

I am writing this letter in support of the request made in the September 5, 2016, letter on behalf of the Citizens Concerned About Landfill Expansion by Frank Hartley, PE, and George Harris, PE, for an extension of the written comment period until the end of October. As you are aware, the Town of Halfmoon is gravely concerned about the possible impacts that the proposed expansion will have on our existing residents. Additional time to review the voluminous information contained in the DEIS and Engineering Report would assure that all of the concerns regarding the effects of this project are adequately addressed.

Please contact me should you have further questions regarding this matter. I look forward to hearing from you.

Very truly yours,
