TAX WARRANT

This warrant is for use by trustees of common school districts and boards of education in union free, central and village superintendencies.

(The word trustee as used throughout the explanation below refers to trustee, trustees or board of education alike.)

DIRECTIONS TO TRUSTEE(S)

1 Prepare or cause to be prepared the tax list and sign the warrant directing the collector to proceed with the collection of taxes. Where separate tax book is used, attach this warrant thereto.

2 Total the amount of the tax list so that the collector may later be credited with the amount of his statement of the uncollected portion of the warrant.

3 Fill in "Estimated Receipts" and "Estimated Expenditures" from the "Annual School Budget Form" presented at the annual school meeting (*Education Law, section 410*).

4 Fill out the report of Tax Levy on the form provided in the trustee's Order-Check Book and forward this report to the district superintendent before this warrant is placed in the hands of the collector. Union Free, Central and Village Districts have a separate form for Report on Tax Levy.

5 The trustee may not legally turn the warrant and tax list over to the collector until said collector is duly bonded. Either a fidelity bond from a bonding company or a personal bond with at least two sureties is necessary. The bond is subject to the approval of the trustees.

6 Within 30 days after September 1st, place the tax list in the hands of the collector (*Education Law, section 410*).

7 After the tax list and warrant has passed into the hands of the collector, it may not be changed or amended without an order from the Commissioner of Education pursuant to section 424 of the Education Law.

8 The trustee, as an emergency measure, may grant the collector one renewal of this warrant for a period of 60 additional days by signing and dating his indorsement of the renewal in the space provided below the commands to collector (*Education Law, section 423*).

9 In order to secure an additional renewal of the tax warrant, the trustee must secure the signed indorsement of the town supervisor on the face of this warrant approving such renewal.

10 The trustees shall require the collector to return the warrant prior to or on the date of its expiration. He shall also make a full and complete statement of the taxes unpaid upon forms provided by the county treasurer. (§ 433). **On or before the first day of April** the trustee shall file with the county treasurer the return tax claim bearing certificate of the trustee and the collector's affidavit (*Education Law, section 434*).

11 Within 15 days after this tax list and warrant is returned to the trustee by the collector, it must be filed with the district superintendent (*Education Law, section 439*) who in turn must file it with the town clerk before July 1st of each year. In superintendencies it shall be filed directly with the town clerk by the board of education.
