THERE'S MUSIC IN THE AIR

There's music in the air,
 When the infant morn is nigh,
 And faint its blush is seen
 On the bright and laughing sky.
 Many a harp's ecstatic sound,
 With its thrill of joy profound,
 While we list, enchanted there,
 To the music in the air.

There's music in the air,
 When the noontide's sultry beam,
 Reflects a golden light
 On the distant mountain stream.
 When beneath some grateful shade,
 Sorrow's aching head is laid,
 Sweetly to the spirit there,
 Comes the music in the air.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
 For amber waves of grain,
 For purple mountain majesties
 Above the fruited plain!
 America! America!
 God shed His grace on thee,
 And crown thy good with brotherhood
 From sea to shining sea!

O beautiful for patriot dream
 That sees beyond the years
 Thine alabaster cities gleam,
 Undimmed by human tears!
 America! America!
 God shed His grace on thee,
 And crown thy good with brotherhood
 From sea to shining sea!

Mr. Charles D. Frier
Supervising Principal
Shenendehowa Central School
Round Lake, New York

Dear Mr. Frier:

This is in reply to your recent letter concerning a school building of an existing district in your central school district.

I understand that the board of education of the central school district would like to move the schoolhouse of an existing district to the central school district site, and utilize such school building as a field house.

As you know, the schoolhouse and site of the existing district in a central school district is the property of the existing district and is not the property of the central school district. The central school district, however, has a right to use the school property of an existing district for educational purposes. The question presents somewhat of a difficult problem, but I do not believe that the central school district would be authorized to move a school building belonging to an existing district out of the existing district and place it on the central school site to be used as a field house. As you know, subdivision 6 of section 1804 of the Education Law states that the central school district can not sell or otherwise dispose of property belonging to an existing district without a vote of the existing district. Of course, in this case if a meeting of the existing district was called and the voters of the existing district voted to have the building moved to the central school site, then I believe that the building could be moved.

Very truly yours

George B. Farrington
