Dear Mr. Winans

I would like only four things for Christmas. That is shoes, rubbers, stockings, and a coat or a sky suit size 16 I don't now what size cont I take - will you please tell Santa to send them to me. That is all I want. So I can go to school if I don't get them I wont. So I can go to school. If I don't get them. I will not be able to school and I like to go to school. I want to be a school teacher, when I get older. Please tell Santa for me. I will not know anything witheles I go to school. I don't want to be that way. Even if I am thirteen in the six grade. I did not start till I was seven. Because I was sick all the thim till I was seven. But I passed every year. I don't care how old I am as long as I pass every year. And know my work.
