

PRESS RELEASE: FOR IMMEDIATE RELEASE

OFFICE OF THE HALFMOON TOWN SUPERVISOR

(518) 371-7410

Supervisor Kevin Tollisen announced today the formation of a Resident Relations Committee for the Town of Halfmoon. The Committee will work to identify ways to better communicate with Town residents and to keep them informed of events and issues happening in the Town of Halfmoon. Supervisor Kevin Tollisen stated that “this Committee will work to provide Town residents with a more coordinated effort to keep them informed of current issues, events, states of emergency, and other critical items that residents should be aware of”. As part of this ongoing effort to provide residents with better communication, the Town is currently working on redesigning its entire website to make it more user friendly for Halfmoon residents.

The Committee will be chaired by one of the Town Board Members and will be comprised of Halfmoon residents. Interested applicants can submit a letter to the Town Clerk to serve on the Committee.
