From the Desk of Your President

March is a green month here at the center. What do I mean by that? St. Patrick’s Day is March 17, and many people wear green on that day. They don’t have to be Irish to wear green. Even my Mom who was far from being Irish always wore green. Our celebration for St. Patrick’s Day will be held here at the center with Irish music and fun. Sip and Paint is back again and will be held on March 5. It was a big hit before, so sign up to have some fun. Doreen Drais is the chairperson for the nominating committee. See her if you want to get involved. The card swipe system is in place. You must have a card to come to the center if you are a member. Someone will be here to help you with signing in with the card. If you have not gotten your card, please do so early this month. Once you get used to the system it will be easier for you and also for our administrative assistants, Debbie and Sharon. Thank you to all who have received your cards already.

Nancy Morris, President
