Weekday Group Lesson Supplemental Information 2023 -2024

Thank you for joining us this winter!! We are looking forward to a snowy season at Willard. We are happy to announce we are going back to offering lessons **all** 6 weeks of your program. Weekend programs begin the week of January 6th and 7th.

Don't forget: Program passes will remain valid during **your designated day** and **timeslot (4-9)** before and after the six-week program. **Excludes Holiday Weeks.** If you need rentals, they are \$12. If you wish to come any other time, you will receive \$5 off your lift ticket and \$5 off rentals but you **MUST** have your photo ID pass with you.

Our pass replacement policy: We will only print one photo ID per participant. You are required to purchase a restricted ticket for a \$1.00 each day you **DO NOT** have your issued Photo Program Pass. ****Allowing someone else to use the pass will result in revocation with no refund.**

Refunds: Will only be given with a medical excuse signed by your doctor and only for the unused portion of the program. A \$10 charge will be applied to refunds given prior to the start of the program.

We encourage you to check with your organizer to see if your paperwork is here at Willard or give us a call and we'll check. We need to have all your completed forms to do photos and/or fittings. If you are not renting, you can take your own picture with a white background and email it to info@willard.com. Please include your name (last name first) and your school or group name. Registration forms must still be returned to your advisor.

Rental fittings and photos will be offered weekends from 10:00 AM – 3:30 PM starting November 4, 2024. After school hours aren't out of the question and are dependent on staffing, so please give us a call **before** coming to see if we can accommodate you. Please try not to wait for the first day of programs to have these pictures and fittings done. Both should be done prior to the program start date. Waiting until the day your program starts will result in long lines and being late for lessons.

****Make-up days will be scheduled if Willard is closed on your day.**

Feel free to call us at (518) 692-7337 if you any questions regarding these policies. Thank you and see you at Willard Mountain!!

Participants must have their picture taken at Willard for a Photo ID Program Pass to be issued. If you forget or misplace your photo ID pass, you will be required to purchase a restricted ticket for \$1.00 upon each return until your photo ID pass is found. Allowing someone else to use the pass will result in revocation with no refund.

| Pass Day | Ski Pass Hours | Lesson Time |
|--------------------------|----------------|--------------|
| Saturday (Starts 1/7/24) | 1:00 – 5:00 | 2:00 to 3:30 |

Remember, you can ski on your program day before and after the 6-week program **EXCLUDING** holiday weeks.

If rentals are needed, they are \$12 per visit.

After 11/26 add \$20 to prices below.

| Circle one please | |
|-----------------------|-------|
| Lift | \$220 |
| Lesson | \$90 |
| Rental | \$90 |
| Lift, Lesson & Rental | \$400 |

Refunds will only
be considered if a
note is provided by
a medical doctor.

WARNING TO SKIERS AND SNOWBOARDERS: Downhill skiing, as other sports, contains inherent risks, including but not limited to the risk of personal injury, including catastrophic injury or death or property damage, which may be caused by variations in terrain or weather conditions or surface or sub-surface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps or other persons using the facilities; or rocks, branches, forest growth, debris, roots, stumps, or other natural objects or man-made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York State law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing, which are set forth above, so that you may make an informed decision of whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. A complete list of these responsibilities are posted at the area under the New York State Industrial code rule #54 (safety in skiing) If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.

Willard Mountain strongly suggests the use of a helmet at all times while skiing and riding.

RENTAL AGREEMENT

DETERMINE YOUR SKIER TYPE: Find the description below that BEST describes your skiing classification and fill in the physical description information including the skier type identified. This information will be used by our rental technicians to determine the release/retention settings of your ski bindings. Please be as accurate as possible, as any error may increase your risk of injury!

| TYPE I | TYPE II | TYPE III | Physical Information |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|
| <i>Cautious Skiing at Lighter Release/Retention Settings</i> <ul style="list-style-type: none">Type I settings apply to "entry-level skiers uncertain of their classification"Ski conservativelyPrefer slower speedsPrefer easy, moderate slopesFavor lower than average release/retention settings (this corresponds to an increased risk of inadvertent binding release in order to gain increased releasability in a fall) | <i>Moderate Skiing at Average Release/Retention Settings</i> <ul style="list-style-type: none">Are all the skiers who do not meet all the descriptions of either Type I or Type IIISki moderatelyPrefer a variety of speedsSki on varied terrain, including the most difficult trails | <i>Aggressive Skiing at Higher Release/Retention Settings</i> <ul style="list-style-type: none">Ski aggressivelyNormally ski at high speedsPrefer steeper and more challenging terrainFavor higher than average release/retention settings (this corresponds to a decreased releasability in a fall in order to gain a decreased risk of inadvertent binding release) | Age _____ Height _____' _____" Weight _____ lbs. Skier Type _____ |

Select helmets are available for purchase in the Loose Moose Ski Shop at dealer cost

Rental Agreement & Release of Liability: I understand that the skiing equipment being furnished forms a part of or all of a ski-boot-binding system which will NOT RELEASE at all times or under all circumstances, and that it is not possible to predict every situation in which it will or will not release, and that its use cannot guarantee my safety or freedom from injury while skiing. I further agree and understand that this ski-boot-binding system may reduce but does not eliminate the risk of injuries to the bottom one third of my lower leg. However, I agree and understand that this ski-boot-binding system does not reduce the risk of injuries to my knees or any other part of my body. I agree and understand how the ski-boot-binding system works, have been instructed in its proper use and hereby agree to freely and expressly assume and accept any and all risks of injury or death to the user of the equipment while skiing.
