The Town of Halfmoon will have the feature article written by Sandy McBride in the Saratoga History Center publication about Chips Hall in its heyday. Located on

the corner of Johnson & Staniak Roads, it has had quite a history! Many of the stories get picked up by Saratoga Today, so here's hoping this will be one of them!

Best of all, the three Indentured Documents that we sent out to be restored and framed, just came back. These donated treasures are Halfmoon land transactions dated 1700, 1720, & 1770. It is extremely rare for anyone to have three documents such as these in their possession. Kofile, the preservation company was so thrilled to be working on them, that they donated their services, no charge to the town! We look forward to hanging them in a place of honor!

RESOLVED, that the Town Board approves the minutes of Town Board Meeting of January 17, 2024, as presented.

RESOLUTION NO. 72-2024

Offered by Councilman Wasielewski, seconded by Councilman Connors: Approved by the vote of the Board: Ayes: Tollisen, Hotaling, Wasielewski, Connors, & Catricala

Resolution Introduced by Building & Planning Coordinator Harris

RESOLVED, that the Town Board hereby schedules a Public Hearing for the February 21, 2024, Town Board meeting, in the A. James Bold Room, at 7:00 p.m. or as soon thereafter as their agenda allows, to discuss authorizing an amendment to the Code of the Town of Halfmoon to add regulations relating the issuance of Soil Disturbance Permits.

Supervisor Tollisen asked Paul Marlow to come forward and give a brief overview of the proposed amendment and why we are doing this.

Paul Marlow: Late December, the Department of Environmental Conservation gave us notice that a new permit will be issued for January 3rd. Part of that permit requires that a pre-construction meeting for all projects that require SPDES permits. Our current code logistically contradicts the way that they want this handled. We allow it to happen at preliminary approval, but our current code says that you can't have a pre-construction meeting until you have final sub-division approval and its filed. So, we have to amend our code in order to meet the current New York State standards. That is basically it.

Supervisor Tollisen: Any questions from the Board? No questions were asked. Alright, very good. Thank you very much, Mr. Marlow.
