Mr James Sweeney, Trustee

District #7, Halfmoon

R. D. #3, Mechanicville, N. Y.

Dear Sir:

Our representative Mr Lantman reports that your present school facilities are unfit and unsuitable, and that we have now reached the time when the question of the future school policy of your school should be determined: whether you are to continue to maintain your school or contract with Mechanicville, or some other district. If you are to continue to maintain a school it will be needful to procure a new site and construct a new school building. It is highly important that this whole matter be thoroughly considered from every standpoint as it not only concerns the present but the future. The interest of the children, of course, should be the prime consideration.

Very truly yours

FW/Md
