Mr. Donald Hallock
District General Manager
County Waste/Waste Connections, Inc.
1319 Loudon Road
Cohoes, NY 12047

Dear Mr. Hallock:

I write regarding a request recently made by Town of Halfmoon Supervisor Kevin Tollisen concerning the proposed expansion of the Town of Colonie Landfill.

Specifically, I fully support Supervisor Tollisen's thoughtful request seeking the placement of large balloons at the site to demonstrate the full proposed buildout and ask that this occur at the beginning of the SEQR public comment period. Providing such a visual aid – and doing so without undue delay – will better illustrate the full extent of the proposed expansion and its possible impact on local stakeholders. I believe Supervisor Tollisen's request to be rooted in common sense, wholly reasonable and made in the best interests of our community and our mutual Halfmoon constituents.

Thank you in advance for your consideration of this letter offered in support of Supervisor Tollisen's request. Please feel free to call me at (518) 455-2381 if you require further clarification.

Sincerely,

Kathy Marchione
State Senator, 43rd District

CC: Kevin Tollisen, Halfmoon Town Supervisor
